## RIVERSIDE BISTRO

Welcome

We at the Noosa Yacht & Rowing Club appreciate your decision to dine with us. As 'The Biggest Little Club on the Coast', we strive to provide the best culinary experience. Our menu is crafted with fresh, locally sourced Australian ingredients by passionate chefs who care about quality. It reflects the journey that our club has taken so far, and we are proud to offer something beyond a typical club/pub menu. We encourage you to keep an open mind and try something new while enjoying your meal. We offer half-serves on the menu for little ones, seniors, or anyone wanting a lighter meal option.

Thank you again for choosing to dine with us, and we hope you have a wonderful experience.

## Did you know?

That a proportion of every dollar you spend at the Noosa Yacht & Rowing Club goes towards youth sports, development and supporting people of all ages with disabilities to enjoy the sport of sailing and rowing?

Each year the club provides more than 6,000 sailing lessons/experiences for our local youth, and more than 400 sailing experiences for people with disabilities per year.

In the 10 years to end 2024 we had 65,000 attendees at our Youthsail, Sailability, and after-school's programs alone.

The total number of participants annually for juniors, adults, and persons with disabilities for sailing and rowing combined is more than 14,000.

So, with every meal or beverage purchased, you are helping our community remain active, healthy, and inclusive.

This is why we are 'The Biggest Little club on the Coast' and the community thanks you for your support.

Bon appétit.
